

Timings Of The School Day 2025 – 2026

We operate staggered opening and collection timings to allow parents more time to drop off and collect the youngest pupils. Due to longer days Monday to Thursday we have a slightly earlier finish on a Friday.

We also have onsite wrap-around care before and after school for those children who need to attend. 'The Den' Out of School Club is managed by Mrs Brooks who is a familiar face to all our children.

Please see the separate section of the website for full details of wrap-around care.
