

# KNOWLEDGE ORGANISER: Art- Sculpture Year 4 Block 4

## Key Vocabulary

Texture	The feel of an object
2D	Two-dimensional
3D	Three-dimensional
Form	Structure
Join	Connect two parts
Abstract	Not representing reality
Figurative	Representing a figure
Visualisation	Form a mental image
Modroc	Plaster-soaked bandages used to create solid sculptures.
Armature	The framework or "skeleton" that supports the sculpture.
Proportion	The sizes of different parts of the body compared to each other.
Silhouette	The outline or shape of something.
Layering	Adding several sheets of modroc to make the sculpture stronger.
Smoothing	Stroking the wet modroc to create a neat surface.

## Key Skills

- To compose and capture photographs with purpose, using framing, focus, and perspective to communicate ideas effectively.
- Shape wire in different ways using their hands and / or pliers and other tools. (twist, spiral, overlap, coil)
- Join materials accurately and securely with tape and glue – including hot glue gun.
- Use Modroc strips accurately to build up a 3D form.

## Big Goal:

Create a sculpture in the style of Giacometti using Modroc.
