Use objects, pictures or a simple table to organise information.
Put objects in order depending on weight or length.
Use mathematical vocabulary and discuss how they solved a particular problem or puzzle.

PHSCE:

Zippy and his friends

Module 1 – Feelings

Each lesson will focus on the feelings the children may have and ways in which we can cope with them.

Topic

Our School

The children will look closely at the size, features and position of our school and compare and contrast it with the old Victorian school in the village.
The children will be given the opportunity to put forward some ideas they would like to see in the new school.
The children will look at simple maps to show position and use simple geographical vocabulary to describe places and settings.
The children will also be identifying plants that they see in the environment and link this information in with changes in Autumn.

I.C.T.

Become more familiar with the keyboard and be able to log on and off the computer correctly.
Learn about E-safety through watching a series of safety awareness cartoons (CEOP).
Mrs. N. Yates
