

Year 4 - Curriculum Information

LITERACY

Poems about strange and imagined places

Read aloud and perform poetry to the class and with others

Read and discuss the language and structure of poems

Learn new vocabulary to describe imagined places effectively

Write own poetry

Fantasy Stories

Read *How to Train Your Dragon* by Cressida Cowell will be our class text.

Carry out grammar and a variety of writing tasks related to this text.

Analyse aspects of fantasy stories in particular building suspense and dilemmas then write our own versions.

NUMERACY

Data Handling - bar charts, venn diagrams, carroll diagrams

Use written calculation methods to add, subtract, multiply and divide

Reinforce multiplication facts of the 4,6,7,8,9 times tables - see homework for dates of the times table tests.

Carry out mathematical investigations and solve mathematical problems

Learn about different types of triangles, polygons and symmetry

Make nets of 3D shapes

ICT

Digital Literacy - Keeping yourself safe online, recognising acceptable and unacceptable behaviour on line. Know ways to report concerns.

Computer Science - Programming

Data Handling-Looking at a variety of different charts and graphs to interpret and discuss.

Collect data in a survey and enter this information into a data base (Excel). Create bar charts and pie charts from the information.

R.E.

Looking at the different religions and beliefs that are represented in our local area.

PSHE - Seal - Relationships

To take responsibility for my own actions and how to make amends when I have done something wrong or unkind. Learn about respect for others and making judgements, in the classroom and in society.

Topic- PSHE - My Money

Mind map what pocket money is spent on - discuss wants and needs

Can I afford it? Look at various budgets to decide what can be afforded

Debates spending versus saving; financial headlines e.g. 1 million lottery win

Look at bank accounts available for children and managing pocket money apps

Fund raising - expenses and income

Design and make a Money Box

Mrs Creed
