

Dear Resident,

Works are still ongoing and on programme for the new Dinnington First School.

During the half term holidays the excavations for utilities at the front entrance of the school will be complete and ready for the school returning.

I would like to apologise for any inconvenience this might have caused.

### What works will happen in the August period

- Completion of brickwork
- Completion of window frames & glazing
- Mechanical and Electrical install to continue
- Plaster skimming of partitions
- Installation of internal doors & frames to commence
- Complete Utilities excavations back fill and make good for school return

### Hours of Work

**Monday to Friday**  
**Occasional Saturdays**

8am to 6pm

8am to 1pm

Only when required to compensate for weather or other factors beyond our control.
